Dear Friends of Lezant Parish,

Welcome to July's issue of our magazine. Once again, there is plenty to inform and also, hopefully, to amuse within this issue. We include an article of sad news that a long standing local business is closing its doors after 73 years of trading, (see pages 9 and 10). Please remember that there is a double issue for August/September so **ALL** information is needed by the date shown below.

Another recipe for you to try on page 26, please let me know how it goes!

More of your news and views would be lovely, we'd love to expand the Nature Notes section as we live in such a wonderful part of the country.

Lezant Parish Magazine is an independent publication, organised and published by a volunteer committee (J Price, J Rider, T Pincombe, B Pipe, P West and M Prole) for the residents of Lezant Parish. It is funded by advertising revenue and distributed free of charge to all households in the Parish.

ON THE BUSES!

The bus service between Plymouth and Bude running along the A388 through the Parish has long been a lifeline or at least, a convenient way to travel and leave the car at home.

In terms of reducing car usage, thus reducing carbon emissions, it triggered the introduction of a £2 fare for a single journey to make it an even more attractive way to travel. A few months later the Government increased the fare to £3 per trip, which caused some criticism but remained a very cheap option. Those who use the local bus service should be aware that the service between Plymouth and Bude has changed.

The operator, Go Cornwall, has cut the weekday service by about 25% and has also changed the fare structure. What was once a single trip on the No 12 bus has been adjusted to make it 3 separate journeys with a charge of £3 for each section. It breaks down (as do the buses regularly) as Plymouth to Callington, Callington to Launceston, Launceston to Bude. This means the single journey costing £3 for the whole trip on the No 12 now costs £9 each way. On some buses it is necessary to change to a different bus with a new number on it. In other cases, the driver merely changes the number on the bus and you pay again.

The bus numbers running through this new scheme starting with the Plymouth section are 12,76 and 76A. The cynics among us might be prone to think that Go Cornwall has found a crafty way of circumventing the Government's £3 fare policy.

Petitions in local areas such as Callington and Stoke Climsland are ongoing.

If you feel this is an unfair way to treat local people in this rural area please go online and sign the petition. Our M.P. Ben Maguire is working on the issue.

OBITUARY

JULIA DAWN CRAPP

27th July 1939 to 27th April 2025

Thoughts of her family on her passing

Today we are all gathered here to share our love and memories for most wonderful, loving and beautiful person, Julia, our mum and loving wife to our amazing dad, also a loving Nan, grandma, great Nan, sister and auntie. She was a woman of unwavering strength, a cheeky sense of humour, and a well-known love for Harvey's Bristol Cream. She was more than just a mother and grandmother – she was our sounding board, our voice of reason and a steady presence through every chapter of our lives. We shared many simple joys — especially during family gatherings — laughing over the little things that became big memories: half terms, holidays, racing down country lanes and her meaningful support and her words of encouragement and pride meant the world to us.

Mum and dad guided us along life's path making us the individuals we are today and encouraging us in whatever we did whether they agreed or not which you could always tell by mum's face. Our lives were always full of fun, love and laughter. She always loved to travel and have an adventure wherever we were in the world. Julia embraced the modern world with ease, mastering her mobile phone and enjoying fierce battles over word games with Amy. She remained sharp, spirited, and engaged — right to the end.

Mum touched the lives of everyone she met with her kindness, loving ways and personality and loved you all for being part of her life where you met her. Although she was taken from us too soon, her love, laughter, and strength will live on in each of us. She will be missed more than words can express. And the best way we can honour her is by carrying her memory forward — in our stories, in our values, and in the way we love one another.

The Crapp Family

Julia was a well known and loved resident of the parish for many years with her husband, Tony. Both were involved a great deal (and Tony still is) with parish activities including Treburley Social Club. She will be sadly missed by all of us Jill Price

TREBURLEY GARAGE - THE END OF AN ERA

People living outside of the Parish can generally locate Treburley if you mention Treburley Garage, the Springer Spaniel pub or perhaps Treburley Social Club.

Sadly, we are about to lose one of our iconic landmarks with the announcement of the closure of Treburley Garage at the end of July.

Set in the heart of the village of Treburley, it has been a saviour for local drivers in need of fuel and repairs.

Last month's Parish Magazine featured 100 years of Lezant W.I. but the Garage is not far behind, being in business for 73 years. It was founded by Thomas Roy Rowe (always known as Roy) in 1952.

However, the story began around 1950 when, having completed his National Service with the Cornwall Light Infantry and doing an Apprenticeship as a mechanic, he had an ambition to work on his own, servicing and repairing vehicles for the local population. Roy married Beryl Gibbons and they moved into what was Treburley Shop. They had a single bay garage built and installed fuel pumps. Roy was employed as a mechanic with J.B. Smith & Sons in Launceston but he started working part-time at the Garage beginning the business of repairs and maintenance whilst Beryl served at the pumps and ran the Shop.

And so began the business of what was to become a truly family affair. It didn't take long for the Garage to gain a good reputation and for Roy to extend the workshop side of the operation. Fast forward to the 1960's and 1970's when, not only had the business expanded, but so had the Rowe family. Roy and Beryl had a daughter, Rosamund, and shortly afterwards a son, Richard.

Continued on page 10

Continued from page 9

They may not have known it at the time but the next generation was to assure the future of the Garage for many years to come. During this time Roy increased the staff, employing more mechanics plus an apprentice, Ian Thomas.

Roy took son Richard under his wing and got him into the workshop, learning the trade.

By this time Roy had gained a reputation as an expert when dealing with Classic cars. Customers came from, not only Cornwall and Devon, but from all over the country.

Rosamund joined the team, helping in the busy office with the telephone work, appointments and all the administrative work associated with a growing business. She married Ian Thomas, who, by that time was no longer an Apprentice, but a fully-fledged part of the workforce.

Roy's health deteriorated in the latter years but, even though he took a back seat in the day to day running of the Garage, he was still seen in the workshop helping out and giving advice to customers. His expertise, particularly with vintage and veteran cars will long be remembered. He was not only Roy Of The Rovers but also Roy of the Austins, the Bentleys, the Morgans and Jaguars, etc. .

Ros and Richard have taken the tiller and guided the business to the present day. The Garage will close on July 31st. However, then begins the task of closing down. They will be occupied with decommissioning the fuel tanks and all the Health and Safety issues this brings with it. Mountains of paperwork and paraphernalia to sort out and resolve.

Richard has a few projects to finish so it may be some while before they can put their feet up and kiss it all goodbye. For the rest of us it will be goodbye to Treburley Garage on July 31st.

TREBULLETT METHODIST CHURCH

Our Minister, Revd John Haley, is leaving our circuit and his Farewell Service was held at Trebulet on Sunday 8th June, Pentecost Sunday. With all the hymns selected by Rev Haley, the service started with "Come Down Oh Love Divine", a well-known hymn, through to some modern worship songs and with a full chapel the singing was at full pelt!

John spoke of the time when he first came to the area and visited Trebulet in October 1976 as a teenager with his parents. His father was a Methodist Local Preacher and they lived in Plymouth, hence John's following of the Plymouth Argyle football team. . In July 1979 he started Local Preacher training and then in October 1980 he began studying for the ministry. Since then he has moved around the country - Scotland, Wales, Devon, Cornwall and Surrey amongst other districts.

He then talked of Pentecost which in Jesus time was a festival celebrating the end of one harvest and the start of another crop's harvest with many people gathering together to celebrate. This was when God gave the Holy Spirit for modern times, even now. John spoke of the importance of gathering together in one place and sharing. He also mentioned asking questions "Who is Jesus?", "Why did He die" to name a couple.

The celebration of John's long ministry finished with a tea provided by various chapels within the Circuit so plenty to choose from including new food to try! There was choice, chatter and companionship as people met up with old friends and made new ones. There's nothing quite like a "do" to break the ice. So it is farewell and thanks to John for all he has done during his years with us and we wish both him and Janet all the best for their future.

25mins

3 x Crescent roll dough (croissant in a tube)

Butter softened

5 tsps. Cinnamon

1 1/4 cups of granulated sugar

Method

Unbox each dough tube layer together with cinnamon sugar mix then roll to approx 16 x 12" rectangle

Roll dough rectangle along long edge, keep it taut, cut rolled pastry into 8 - 12 equal pieces so you see the layers, place in greased muffin tin, one last brush of butter and sugar mix on the exposed tops ,

FUN FACT; What is a Cruffin?

It's a cross between a croissant and a muffin— first made in 1905 by Bowdens Bakery, Looe. However an Australian claims to have created it first in 2013! A sweet pastry filled with cinnamon, chocolate, many flavours can be used.

THE SECRET IS OUT!

A 70th birthday party was held at Treburley Social Club on Saturday 14th June.

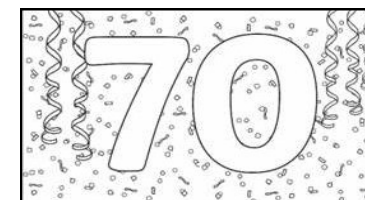

A big surprise for Cindy! Many friends and members, from various places came to celebrate. Her family and people came from Scotland and around the South West.

We had music by 'Phil G' which went on until 11.45pm.

A donation box was available with a collection of £200.00 to charity.

May we thank all who helped and contributed to the collection.

Nature Notes

Red Kites were spotted by Nick Barnes , Trekenner Farm on May 25th 2025
This is quite special, as these marvellous birds of prey are rare. In the early 1930's there were only 2 known breeding pairs in the UK.

How to tell a Red Kite from a buzzard in flight : look for a distinct 'V' shape in the tail and the fact they soar like a kite whereas a buzzard flaps more often.

Their wings are red tipped with black and white feathers and have white patches underneath.

They can typically live for 10 years, and Old English names for them include Puttock, gled and glead.

We'd love to know if you've caught sight of these birds or anything else nature related you'd like to share.

Our next meeting will be on 9th July when one of our own members, Gloria Aze, will be giving us a workshop on "Quilling". This is an attractive (and addictive!) craft which can be used at all times of the year to make special cards for special occasions.

There's no meeting in August but in September we will be having what promises to be a fascinating talk on the "Myths and Legends" of Bodmin Moor by Mark Camp. You would be very welcome to join us to see if the Beast of Bodmin Moor really does exist!

Our guest fee is £4, to include tea and light refreshments. If you are interested in joining us, we offer 2 meetings free of charge.

All our meetings are held on the 2nd Wednesday of the month at 2pm in Trebulet Hall.

LEZANT WI

There were gasps of delight from members when Graham Parker and Jamie brought along the most beautiful barn owl called Nina. He continually held her on his hand on a glove made of kangaroo skin as he talked about the many types of owls found in this country. Nina is an 8 year old European Barn Owl and Graham had hand reared her from birth. He is from "Show and Tell" and spends much of his time sharing the story of owls with schools and many other groups.

Who knew? Owl's ears are asymmetric. They have such acute hearing that they can hear a mouse's heartbeat anywhere within 30 square feet and rely on hearing when it's dark. The commonest owl is a Tawny Owl and generally that or a Barn Owl or Little Owl are the ones you might see in this area, the Little Owl being half the size of a Tawny Owl. Nina weighs just 13oz and feeds mainly on chicken, refusing to eat a wild Barn Owl's usual diet of mice and voles.

After his talk, everybody had a chance to stroke Nina and feel her incredibly soft feathers and admire her. Linda Watkins was the first to accept the challenge to hold her, then several others did too. What a privilege. A record number of photos were taken as everyone wanted to capture the rare chance of getting this close to such a bird. Nina was held on the left hand, as is traditional in Falconry. In the old days your right hand would then be free to hold your sword.

After refreshments, Alice Brown gave an account of being an observer at the National AGM. It was reported that in the last 12 months there were 22,000 new WI members and 57 newly formed institutes. The new campaign is "Bystanders Can be Lifesavers" to improve public confidence in CPR and defibrillator usage.

A good number entered the competition; an item related to owls. Results 1st Liz Whitley, 2nd Ruth Burden, 3rd Diana Anderson. There was even an owl pellet as an entry.
